

KENTUCKY

STATEWIDE TRANSPORTATION IMPROVEMENT PROGRAM (STIP) For FY 2013-2016

ADMINISTRATIVE MODIFICATION #2012.195

I. Proposed Action:

Modify the FY 2013-2016 STIP to include Administrative Modification #7 to the Lexington Area Metropolitan Planning Organization's FY 2013-2016 Transportation Improvement Program (TIP) and Administrative Modification #3 to the 2040 Metropolitan Transportation Plan (MTP).

Location: Lexington Area Metropolitan Planning Organization

Scope of Activity:

See the attached TIP Modification for detail information.

II. Additional Remarks:

This modification to the STIP will become part of the 2012 STIP end of Federal Fiscal Year 2014 "fiscal constraint" recalculations.

III. Administrative Modification Approval:

Modification Recommended for Approval:

Kentucky Transportation Cabinet Date
Ronald B. Rigney, Director
Division of Program Management

MEMORANDUM

DATE: September 4, 2014
TO: Lexington Area MPO Transportation Policy Committee (TPC) and all TPC Subcommittees
FROM: Max Conyers, MPO Transportation Planning Manager/Executive Secretary
SUBJECT: Notification of **Administrative Modification #7** to the FY 2013–FY 2016 Transportation Improvement Program (TIP) and Administrative Modification #3 to the 2040 Metropolitan Transportation Plan (MTP)

On September 4, 2014, The Lexington Area Metropolitan Planning Organization issued Administrative Modification #7 to the FY 2013 – 2016 TIP and Modification #3 to the 2040 MTP.

Administrative Modification #7:

This action updates the previously published documents and tables. This project being added to the TIP is classified as a Grouped Project* (Transportation Alternatives Program and Congestion Mitigation Air Quality Program) which does not impact financial constraint of the document. The changes are:

- Table 6A – Old Frankfort Pike – add project to construct a scenic viewing area on Old Frankfort Pike at the intersection with Alexandria Drive with \$755,000 of Transportation Alternative Program (TAP) funding (\$604,000 federal funds, \$151,000 local in-kind match funds from donated land and value of bronze statue)
- Table 6A – Lextran CNG powered buses – purchase of 7 compressed natural gas powered buses with \$3,127,000 of Congestion Mitigation Air Quality (CMAQ) funds (\$2,502,000 federal funds, \$625,000 Lextran match)
- Table 6A – Jessamine County Fiscal Court/RJ Corman Railroad Group locomotive engine replacement – replace 2 conventional diesel locomotive engines with Gen-Set locomotive engines with \$4,118,000 of CMAQ funds (\$3,294,000 federal funds, \$824,000 RJ Corman match)
- Table 6A – LFUCG CNG fueling station – construct a CNG fueling station with \$1,573,000 of CMAQ funds (\$1,258,000 federal funds, \$315,000 LFUCG match)

* The identification of Grouped Projects involves a commitment of additional funding by the project sponsor. The additional funding maintains financial constraint of these documents. A listing of Grouped Projects has been included in the TIP allowing planning process stakeholders and the general public to be informed of the types of potential projects that may be added to the TIP by Administrative Modification. TIP actions for these projects will not require additional public review, demonstration of fiscal constraint, or a conformity determination (if applicable).

An updated TIP page is attached. The Administrative Modification has been posted on the MPO website at www.lexareampo.org Please contact me if you have any questions.
